To RAJASEVA DHURINA

SIRDAR M. KANTARAJ URS, B.A., C.S.I.,

Dewan of Mysore,

Bangalore.

Most Respected Sir,

In reply to my petition dated 4th July 1919 to the Amildar of Honnali requesting for reasons mentioned therein, a separate registry of my share in the pension of the Honnali Nawab's family may be ordered, I am favoured with a copy of the letter of the Financial Secretary No.4626 dated 5th February 1920 to the Deputy Commissioner, Shimoga, wherein it is ordered that Government have accepted the recommendation of the Deputy Commissioner and have refused my request for a separate registry.

2. I respectufully beg to bring to your kind notice that the above mentioned order has acted very prejudicially to my interest in the pension. In accordance with the dying wishes of the original pensioner Nawab Abdul Nabi Khan, an Arbitration Committee was appointed to settle the claims of all the members of the late Nawab's family. The said Committee ascertained the rights of all the share holders and passed an award which was made binding on all the members of the family under the orders of the late Chief Commissioner. In that award, my grand-mother got Rs.15/- as being the daughter of the original pension-holder, the said Nawab Abdul Nabi Khan. After her death my father inherited the said pension and after him the Government, in their order M.G.F.1414-6/23-9-1907 were pleased to recognize

me as the heir to the said pension of Rs.15/-. It will therefore be seen that I am entitled to this share as a member of the family and as a descendant of the late Nawab Abdul Nabi Khan. As such I fail to see why a separate registry should not be effected in my name so far as my interest goes. It has very reasonably created misapprehensions in me that, as has been recently ordered in the case of late Nawab Hussain Ali Khan's heirs that after the death of the pensioner only a certain proportion goes to his descendant and the balance to the head pensioner though they were divided, my descendants may be deprived of these full rights in my share of pension.

3. I respectfully beg to add that all the share holders of the Nawab's family with the exception of myself were receiving their shares of pension amounts directly from the Honnali Taluq Treasury. In fact Nawab Hussain Alli Khan Pacha Be Bee, Basari Be Bee and Fizu Bi Bi were all getting their amounts independently of the Head of the family.

4. Further I most respectfully submit that I take exception to the concluding para of the Financial Secretary's letter quoted above, wherein it is stated that I should not style myself as "Nawab". I take liberty to adduce that it is only a term of respect and usually enjoyed by all the male members of the late Nawab's family. It pains me very much to be deprived of this term of ordinary courtesy which the British Residency have been extending to me in their communications. I feel that I have fallen very much in the estimation of my own family members as well as of the public and I respectfully pray that you will be pleased to kindly give a favourable consideration to my request and set matters right

5. I herein enclose copies of certain records, which will establish beyond doubt the facts alleged in this

petition for favour of your kind perusal and return.

For which act of kindness I shall ever pray for your long life and prosperity.

With most humble respects,

I beg to remain,

Respected Sir,

your most obedient Servant

Dated, 15th March 1920.

No. 47. Mysore Commissioner's Office,

T o

Nawab Mohammad Abdul Nabi Khan
of H O N N A L I.

S i r,

I am directed to observe that several complaints have been received by the Commissioner from Suleman Khan - your uncle as also from Shazdi Bibi that you with hold the - - allowances hitherto made to them in accordance with the - - arrangements which originated in the dying wishes of your grand father.

2. Mr. Bowring is unwilling that the Government - should interfere unnecessarily in the domestic relatives of so respectable a family, but it must be apparent to you that these stipends were granted and are still paid by Government whose duty is to see that the several members of the family receive from the head of it the consideration that is due to to them. It is also necessary that you should consider the dignity of the family and not permit unnecessary squables to be brought to notice officially.

3. The Commissioner expects therefore that before you leave Bangalore you will make proper arrangements for securing to your relatives an adequate provision and thus obviate the necessity of his interference of the suspension of the stipends.

"TRUE COPY"

Letter No. 28, dated the 10th August 1868, from Mohamad Ali Esqr., Assistant Superintendent, Bangalore, to Captain J. A. Campbell, Secretary to the Commissioner for the Province of Mysore.

------:0:------

With reference to your letter No. 59 of the 31st ultimo, desiring me to get the dispute between Nawab Mohamed Abdul Nabee Khan Jummund of Honnally, Soolaiman Khan, and other members of the family settled by arbitration - under my superintendence, and to submit a report of the settlement within ten days I have the honour to state for the information of the Commissioner as follows:-

2. The present Nowab Mohamad Abdul Nabee Khan Jummund draws monthly a pension of Rs.352/- for the support of the family as the Head Pensioner, and receives Rs.116-10-8 for the support of the family of Hoosain Ali Khan the Great, the reference of which is made in letter No. 532, dated the 14th August 1857 from the Superintendent of Nagar Division to Lieut. McHutchin and in letter No. 40, dated the 25th August 1857 from Lieut. McHutchin to the Secretary to the Commissioner.

3. It appears from the statements of the Nowab and other members of the family that the above pension Viz., Rs.116-10-8 is granted from Government for the - - support of Fathah Khatoo Sahiba, the surviving widow of Hoosain Ali Khan the Great, and this sum used to be paid to her through Hoosain Ali Khan, 11, (i.e.) the late uncle of the present Nowab, but after his death in March 1868, it is drawn through the Nowab himself according to the "MOKHTARNAMA" given to him by the above widow.

4. The parties concerned in the dispute were duly summoned and appeared before me, and each of them

were instructed to get their dispute settled by arbitration; but on their being well explained with the particulars of the case and its nature they settled the dispute amicably in my presence without being aided by arbitrators. The details of the settlements which have been recorded are as follows:--

5. The Nowab Mohamad Abdul Nabee Khan Jummund agree to the effect that he will pay monthly without failure Rs.75/- to "Shabzadee Bee Bee" the widow of the uncle Hoosain Ali Khan Jummund and who had requested in her petition to the Commissioner for renewal of her husband's pension Viz., Rs.80/- to her name separately in addition to Rs. 116-10-8 which used to be paid to the family of - - Hoosain Ali Khan the Great, through her husband (Vide in para 3) and demanded the arrears of her husband's pension from the Nowab.

6. The Nowab has consented to pay monthly Rs.58/- to his uncle Soolaiman Khan Jummund who had claimed Rs.237/- from his pen in petition to the Commissioner No.2218 of the 27th July 1868.

7. That the Nowab agreed to pay monthly Rs.15/- to his aunt "Badi bee bee" who had claimed from him Rs.31/- in her petition to the Commissioner No. 2224 of the 27th July 1868.

8. The Nowab also agreed that in case of his not being regular in distributing the above mentioned sums to the above members, he has no objection whatever for their getting the above agreed pensions separated respectively to their names and drawing the same independently; but before they shall prefer a claim of that nature, his refusal or non payment must be proved through the - -

(11)

Amildar of the Taluq where he draws his pension.

9. In conclusion the Nowab agreed to pay the above individuals all arrears demanded by them in their petitions to the Commissioner.

10. Soolaiman Khan Jummund has made his statement to the effect that he agreed amicably to take Rs.58/- monthly as above stated from the Nowab, and that he will claim no more sum from him in future than the amount agreed to, that he claimed Rs.116-10-8 from the Nowab, being ignorant of the "MOKHTARNAMA" given to the Nowab by the widow of Hoosain Ali Khan the great. (Vide in para 3).

11. "Shabzadee bee bee" the widow of the late - - Hoosin Ali Khan Jummund in the first instance sent for her own brother Ghoolam Ali Khan to the Court to state for her that she settled the dispute amicably within the Nowab by agreeing to receive monthly a pension of Rs.75/- from him and that she will demand no more amount from the Nowab than the sum above agreed to, and afterwards she sent a "Munvee and Urzi" on a stamped paper embodying the above agreement and also desiring me in it to report their amicable settlement to the Commissioner.

12. "Badi bee bee" the aunt of the Nowab in the first instance sent the above Gulam Ali Khan to the Court to state for her that she also settled her dispute amicably with the Nowab by agreeing to receive monthly Rs.15/- from him and that she will demand no more sum than the amount above agreed to, and afterwards she sent a "Munvee and - - Urzee" embodying the above settlement and desiring me to report the same to the Commissioner.

13. To know whether in reality the above "Munvee and Urzees had been sent to me by the above ladies or otherwise, I sent the Nazir of my court to them with the Urzees above alluded to, who personally ascertained from them and reported

that the Urzee were signed and sent by them who also verbally told him that they have settled the dispute amicably with the Nowab and that they have no further claims against him in the matter.

14. The papers which formed the record of the case in my presence are submitted with an index, and - - enclosures of your letter are herewith returned.
